DATE: SEP 9 1955

FROM : Director of Security

SUBJECT: Senate Bill "S.2376"

1. A Senate Bill, "S.2376", forwarded by your office contains provisions concerning appeals by security disapproved applicants for Government employment, which, if enacted into the law, would have a bearing upon our security procedures.

2. It would be very much appreciated if you would watch the developments of any legislation along the lines of the provisions of the above-mentioned bill in order that appropriate and timely measures can be taken by this Agency.
